DEPARTMENT OF BIOLOGICAL SCIENCES AND BIOENGINEERING

The Selection Process Details

The selection process will comprise of two stages of online interviews. All the eligible candidates will be called for Round 1 interview. From this round, the top 10 candidates will be selected for the second round of interview. Final selection will be made based on performance in Round 2 interview. The Round 1 interview (~10-15 min in duration) will test the basic understanding of the biology concepts and will be conducted for all in the eligibility shortlist. The Round 2 interview (~30 min in duration) will be specific to the candidate's preferred research area.

Schedule of Events

Interview Round I- 24/05/2022

Interview Round II- 27/05/2022
