Department of Mathematics

The Selection Process Details

Schedule of Events: The Mathematics department will conduct the preliminary round/round 1 (R1) of interviews on 25th, 26th and 27th June, 2021. This will be followed up by second round of interviews on 30th June, 1st and 2nd July, 2021 for shortlisted candidates from R1.

The candidates will be split into different batches and the R1 Interviews will be held for two batches per day.

The R1 interviews will be conducted in the following manner:

1. For each batch, the candidates will be summoned at a prefixed time and a set of 10 *multiple choice type questions* will be given. There will be *negative marking*. The exam will be *proctored*.
2. The duration of the exam will be 30 minutes.
3. The responses of the students will be recorded.
4. Once this is over, the individual candidates will be invited for a session where the candidate will be asked to explain his/her answer(s).
5. The first batch of R1 interviews of the day will happen between 9am and 1pm.
6. The second batch R1 interviews of the day will be conducted between 2:30pm and 6:30pm.
7. The performance of the candidates will be a composite score of his/her performance on the questions and his/her explanation in the interview.
8. We reserve 29th June, 2021 for candidates who might fail to appear for R1 interviews before.
9. From R1, selection for the final round of interviews will be made. Candidates shortlisted for 2nd round of interviews will have further interviews with the selection panel.
