You will be given a time-slot window (of about 1 –3 hours) during which we will connect with you anytime.

Dos and Don'ts during the online interview

Dos:

- We recommend to try out a mock call session before the actual interview to ensure the audio-video setup is ready.

- Have paper and pen or pencil calculators handy for any rough work.
- Keeping a glass of water ready may be a good idea.
- Ensure that equipment is charged to avoid power issues.
- Ensure that the place from where you are attending the interview is conducive for effective interaction online.
- Best Practices while in online meetings:
 - Sign into the online client (Google Meet App/Desktop) 10-15 minutes ahead of scheduled meeting time and stay signed in.
 - Turn your camera on and have your camera at the eye level.
 - Stay muted unless you're talking to reduce background noise.
 - Make sure you sit in a well-lit and quiet place.
 - Be mindful of what's going on behind you. Think about having a solid wall/nice curtain behind you or turning on the virtual background (if available).
